

Conserving The Future

Author - , Published on - 10.10.2020

Specially produced for Vikalp Sangam by Srishti Films and Kalpavriksh

This film is a glimpse into the world of Shiv Kumar, an enterprising Forest Guard in the Lahaul Forest Division in Himachal Pradesh who has been working with camera traps for the past few years with a single-minded focus to help in wildlife conservation of a delicate ecosystem in one of the least populated districts of the country.
